March 21 & 22, 2015 | *Disney's Paradise Pier*[®] Hotel, Anaheim, CA

Welcome!

We are pleased to welcome you to OTAC's 2015 Spring Symposium—a Professional Development Conference. This Symposium offers a rich choice of sessions, networking opportunities, and updates on legislative and regulatory issues of concern to occupational therapy practitioners. This Symposium is for you...about you...by you.

We applaud you for taking the time from your busy schedules to join us in growing professionally and personally. Thank you as well for recognizing the value of OTAC's professional development programs. We don't believe you will find better content at such a great value. OTAC works for you!

This year's Symposium again includes our Saturday Town Hall Lunch with a legislative update on issues critical to occupational therapy practitioners. The Sunday Networking Lunch offers networking opportunities. And the Saturday legislative reception is a chance for us to demonstrate unification as a profession.

Please help us in thanking our Symposium sponsors and presenters. Without their support and generosity, we would not be able to bring you this professional development event. Look for individuals wearing sponsor or presenter ribbons on their badges, and please take a moment to offer your appreciation for their support. Thank you also to our volunteers and staff for their hard work on this Symposium.

I am also pleased to introduce you to OTAC's Professional Development and Leadership co-chairs, Kimberly Carter, OTD, OTR/L, and Hannah Davis, OTR/L. You'll be hearing more from them soon, and the Conference Chair, Akemi Davies, MA, OTR/L, as we start planning for the Annual Conference in October.

Again, welcome to OTAC's premier spring professional development Symposium. We are glad that you have joined us.

Patricia Nagaishi, PhD,
OTR/L, OTAC President

Thank You to Our Sponsors!

Are you an OT committed to hope and healing?

Then you belong with the dedicated Occupational Therapy team at City of Hope. Named for 10 consecutive years as one of the top cancer hospitals in the country by *U.S. News & World Report*, we seek Occupational Therapists who will specialize in treating breast and other cancer patients through an array of educational and therapeutic services. By providing quality patient care and family training through evaluation, planning and the application of innovative and efficient treatment, you will help patients resume day-to-day life with the greatest independence possible. Requirements include a Bachelor's degree in Occupational Therapy or equivalent and certification/examination for OTR, or completion within one year of employment. You must also have current licence to practice Occupational Therapy in the State of California. At City of Hope, discovery and compassion work together — for life. To learn more about our organization and our opportunities, please apply online at www.cityofhope.org/careers. For additional information, you can email LeVell Romeyn at lromeyn@coh.org.

RESEARCH • TREATMENT • CURES

City of Hope is a nationally recognized, National Cancer Institute-designated comprehensive cancer center located just northeast of Los Angeles.

City of Hope is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, sex, age, status as a protected veteran or status as a qualified individual with disability.
