Early Intervention Open Forum

Facilitators:

Michaelann Gabriele, OTD, OTR/L, Director of Center for Development Kids
Janet Gunter, OTD, OTR/L, Director of Clinical Operations at Therapy West, Inc. & pLAy Student

This open forum is designed for clinicians and private practice owners who are currently experiencing challenges related to early intervention services. Topics may include payment delays, reimbursement concerns, billing codes, and communication with regional centers or the Department of Developmental Services (DDS).

Our goal is to create a supportive space where members can openly share their experiences, discuss concerns, and help identify common issues. Your input will help guide OTAC in communicating more effectively with DDS regarding payment structures and system challenges that impact our community.

We strongly encourage you to attend, contribute your perspective, and connect with fellow professionals navigating similar experiences.

We look forward to seeing you there.

Zoom details will be included in your registration confirmation.
