Guidelines for Number of Presenters.

Session presentations will have the following limits of number of presenters based on the length of the presentation:

- 1 hour—not more than 2 presenters
- 1.5 to 2 hours—not more than 3 presenters
- 3 hours—not more than 4 presenters
- 6 hours—not more than 5 presenters

For posters: Maximum limit of 4 presenters.

Presenter Benefits. The primary presenter for session proposals is the main point of contact and the sole receiver of the complimentary day of registration (if they are a member of their state association). All session co-presenters receive a pass to their session only. All poster presenters (primary and co-presenters) receive complimentary registration to the Saturday Expo Hall only.

Important Reminders for Presenters.

- **All presenters listed with your proposal submission should be prepared to participate at the Annual Conference, if accepted.** OTAC will only publish the names of presenters who will be participating at the event as a presenter.
- Confirm that the e-mail addresses for all presenters are current and correct, as well as telephone and affiliation.
- Ensure that complete CVs are included for all presenters.
- Ensure Learning Objectives are included for your presentation submissions. OTAC publishes a document that includes Learning Objectives for all sessions.
- Carefully review your submission for grammatical and spelling accuracy.
- **OTAC education sessions and poster presentations are non-commercial.** Refrain from endorsing specific products. Referencing brand names should be inherently limited. OTAC podium is not to be used for direct promotion related to presenter(s) product/service/monetary self-interest, or overt statements, harsh language, or humor that might disparage any individual or group.
- Travel Expenses — any travel expenses (airfare, ground, hotel, etc.) are the responsibility of the presenters.

**Please note: Presenters submitting proposals that contain copy written or service marked material must have permission to use such material. Proposals containing material used without permission may be removed from consideration for this educational conference.*

Planning Ahead for Session Presentations. If you need to limit attendance to a maximum number, or if there is a device (laptop, tablet, smartphone, etc.) that attendees should bring to enhance their learning experience, or any special accommodation needed, please include an explanation under the "special requests" field on the online submission.

Should your session proposal be accepted, give consideration to the format and length of the handouts. Attendees will download handouts in advance of the program. If possible, please limit your handouts to 20 pages.

We look forward to your submissions—thank you for your participation in this premier educational event!
