## Welcome!

We are pleased to welcome you to OTAC's 2017 Spring Symposium — a Professional Development Conference. This Symposium offers a rich choice of sessions, networking opportunities, and updates on legislative and regulatory issues of concern to occupational therapy practitioners.

We applaud you for taking the time from your busy schedules to join us in growing professionally and personally. Thank you as well for recognizing the value of OTAC's professional development programs. We believe this is great content at a great value. OTAC works for you!

This year's Symposium again includes our Saturday Town Hall Lunch with a legislative update on issues critical to occupational therapy practitioners, as well as an opportunity to hear from OT 2017 Centennial Float riders and committee members. The regional Legislative Reception returns with special guest Assemblyman Todd Gloria — this is a chance to demonstrate our unity as a profession. New this year is our PAC Pub Trivia Night for some added fun and networking. The Sunday Networking Lunch offers informal networking opportunities.

Please help us in thanking our Symposium presenters, sponsors, and advertisers. Without their support and generosity, we would not be able to bring you this professional development event. Look for individuals wearing sponsor or presenter ribbons on their badges, and please take a moment to offer your appreciation for their support. Thank you also to our volunteers and staff for their hard work on this Symposium.

Again, welcome to OTAC's premier spring professional development Symposium. We are glad that you have joined us.
