Presenter Benefits. The primary presenter for a session/poster is the main point of contact. The primary presenter for sessions is the recipient of a complimentary day of registration on the day of presentation (if accepted and if a member of OTAC). All session co-presenters receive a pass to their session only. All poster presenters receive complimentary registration to poster presentations which is during the Innovation Expo time block on Saturday. Presenter benefits are non-transferrable. **A registration discount is offered to all session/poster presenters (excluding Thursday sessions).**

Important Reminders for Presenters.

- All presenters listed with proposal submission should be prepared to participate in the session, if accepted. OTAC will only publish the names of presenters who will be participating as a presenter.
- If you add any presenters once the registration brochure has been published, we cannot guarantee that we can add their name to that document or the Presenter Directory due to staffing resources.
- **Highlighting Experiential Learning and Research.** Proposal reviewers will focus on ensuring presentation content is: 1) occupation-based, 2) evidence-based, and 3) includes an experiential learning component.
- E-mail addresses and designations for all presenters must be current and correct.
- Ensure that complete CVs, bios and headshots are included for **all session presenters.**
- Carefully review your submission for grammatical and spelling accuracy.
- **OTAC education sessions and poster presentations are noncommercial.** Refrain from endorsing specific products. Referencing brand names should be inherently limited. OTAC podium is not to be used for direct promotion related to presenter(s) product/service/monetary self-interest, or overt statements, harsh language, or humor that might disparage any individual or group.
- Expenses — any expenses related to Conference are the responsibility of the presenters.
- If your team withdraws after your proposal has been accepted, you may be disqualified from presenting in the future as it causes a hardship on OTAC.
- **Please note: Presenters submitting proposals that contain copy written or service marked material must have permission to use such material. Proposals containing material used without permission may be removed from consideration for this educational conference.** The OTAC Conference Committee reserves the right to edit titles, course descriptions, and presenter bios.
