## Guidelines and Reminders for a Successful Proposal Submission and Experience

### Guidelines for Number of Presenters.

Session presentations will all be scheduled for 60 minutes; 45 minutes of presentation and 15 minutes of live Q&A between presenters and attendees.

- 45 minute session presentation—not more than 3 presenters.
- All participating presenters must be present for live broadcast and Q&A.

### Presenter Benefits.

The primary presenter for session proposals is the main point of contact and the sole receiver of the complimentary day of registration (if they are a member of their state association). All session co-presenters receive a pass to their session only. Presenter benefits are non-transferrable.

⇒ All presenters receive a nontransferable registration discount.

### Important Reminders for Presenters.

- All presenters listed with your proposal submission should be prepared to participate in the session recording, if accepted. OTAC will only publish the names of presenters who will be participating as a presenter.
- **Highlighting Best Practice in Pedagogy and Academic Administration.** Proposal reviewers will focus on ensuring presentation content reflects: 1) significance in relation to OT education/academic administration, 2) best practice, and 3) includes an experiential/active learning component (to the extent possible considering the virtual learning environment).
- Confirm that the e-mail addresses for all presenters are current and correct, as well as telephone and affiliation.
- Ensure that complete CVs, bios and headshots are included for **all presenters.**
- Carefully review your submission for grammatical and spelling accuracy.
- **OTAC education sessions and presentations are noncommercial.** Refrain from endorsing specific products. Referencing brand names should be inherently limited. OTAC podium is not to be used for direct promotion related to presenter(s) product/service/monetary self-interest, or overt statements, harsh language, or humor that might disparage any individual or group.
- Expenses. Any expenses related to the production of the recording, etc. are the responsibility of the presenters.

*\*Please note: Presenters submitting proposals that contain copy written or service marked material must have permission to use such material. Proposals containing material used without permission may be removed from consideration for this educational conference.*

- **Notifications of acceptance will be sent approximately April 1.**
- Please assure that the e-mail address you include in your submission is one that you check often and is able to receive OTAC e-mail.
- Should your session proposal be accepted, give consideration to the format and length of the handouts. Attendees will download handouts in advance of the program. If possible, please limit your handouts to 20 pages.
- OTAC Symposium Committee reserves the right to edit titles, course descriptions, and presenter bios.

*We look forward to your submissions—  
thank you for your participation in this premier virtual educational event!*
